SUMMARY

I have been working as a club DJ in the UK for the last ten years. Originally I trained as an actor in Sweden where, after working in a variety of music-related jobs such as backing singer and dancer, I hosted a music based magazine-style radio show. Currently I am studying BTEC in radio production and actively seeking a position in radio in the UK, since this provides a broader platform to develop an audience than do clubs.

EDUCATION

2008 BTEC Certificate in Media Production (Radio)
2005 NVQ2 in Retail Fashion, Derby College
2000-2002 A-level in Theatre Studies, A-level in Spanish, Maida Vale College
1994-1995 Drama School in Sweden
1989-1991 Humanities, Swedish College

OTHER SKILLS & QUALIFICATIONS

Voice over for commercials and movies.
Fluent in English, Swedish and Spanish.
Computer Literate (OCR level 1).
